18 December 1981

FROM: Chief, Interdepartmental Affairs Staff, OPP SUBJECT: SIG Meeting on Poland 1. The attached materials are for your SIG meeting on Poland at 1400 hours today at the State Department. I was told by Haig's staff that the purpose of the meeting is to have a roundtable discussion of US policy towards Poland including economic aid, food aid, political demarches, etc. No paper has been disseminated for the meeting. 2. We have pulled together for you a variety of inputs which include talking points from Bob Gates and the latest from the task force as of 1300 hours. In addition, we have included some cables which are interesting in their discussion of the context and background behind the imposition of martial law. Finally, we have a memorandum for the record from Wednesday's SS6 meeting on Poland and other crises which the DCI attended. 3. FYIthe Director has asked that we set up a mechanism for ensuring that he is up to date on the various fast-moving crises. The single sheet (Tab E) was passed to him prior to his departure for the NSC meeting today as a prototype, but we hope today to outline the mode of providing him as well as you updates at least twice daily of various situations around the world. Attachment CC: DCI D/OPP	MEMORANDUM FOR:	Deputy Director of Central Intelligence
